The Association:

The Council of Forest Industries is the voice of the BC interior forest industry. Our members range from large integrated global scale public companies to medium sized family owned operations to smaller independent niche players. They produce a range of products including lumber, pulp and paper, panels and engineered wood in over 60 facilities located throughout the interior. All aspects of our members' operations from forestry to production to sales are recognized as world class. We are recognized for our sustainable forest practices, cost competitiveness, and support for green buildings.

The COFI Annual Convention

The convention is the largest gathering of the forest industry in Western Canada and attracts forest industry CEOs and their senior management and production teams from continental North America and offshore, senior representatives from customers, suppliers, financial institutions, law firms, local government, chambers of commerce, Federal & Provincial Ministers, MPs, MLAs and senior civil servants.

The convention alternates between Prince George, BC and Kelowna, BC. The next COFI Convention will be held in Vancouver on April 5th to 7th, 2017. The proceeds from the success of the annual convention will go towards supporting ten \$1,500 Entrance Scholarships to be awarded to students enrolling in professional, technical or trades studies at one of the 10 BC Interior Colleges or Universities, leading to a career in the Forest Industry.

Council of Forest Industries

Head Office:
Vancouver, BC

Northern Operations: Prince George, BC **Southern Operations:** Kelowna, BC

**2017 Council of Forest Industries
Forestry Scholarships**

Ten \$1,500 Scholarships

Scholarship Criteria

- Applicants must be planning to attend one of the ten interior post-secondary institutions in the fall of 2017 (see list of 'Post-Secondary Institutions' on the left). Entering a program during 2nd semester of 2018 is acceptable as well.
- Preference will be given to students **entering a forestry-related program (see list of 'Fields of Study' on right)**. Students entering other areas of study may apply, knowing there is a preference for forestry related study.
- Scholarships in the amount of \$1,500 will be awarded on receipt by COFI of documentation confirming registration and proof of payment (copy of tuition receipt) at an approved post-secondary institution.
- Scholarships have to be used for the 2017-18 academic year, **no deferrals of scholarships allowed**
- Incomplete applications will not be considered for the scholarship.
- The decision of the scholarship committee is final.
